## SAMPLE CUSTOM EXPERIENCES AROUND THE WORLD

### EUROPE

#### **BELGIUM GASTRONOMY TOUR**

PORT: BRUGES (ZEEBRUGGE), BELGIUM

Oud Sint Jan, the former hospital in the heart of Bruges, is the setting for an inspiring presentation by chocolatier Dominique Persoone, who shares his passion for chocolate and food innovation. Chocolate masters then lead a hands-on workshop, after which the group walks to a nearby restaurant to enjoy Belgium's other national treat – waffles – served with some of the country's famous beer. Then cruise along the famous canals of this fairy-tale medieval town on private vessels.

#### **BIKING IN LUCCA AND WINE TASTING**

PORT: AVAILABLE FROM BOTH LIVORNO, ITALY, AND LA SPEZIA, ITALY

The walled town of Lucca, located between Pisa and Florence, is one of Tuscany's most charming and an easy, scenic drive from port. Bicycles are the perfect way to navigate Lucca's historic center of narrow streets and pretty plazas and to admire the sights that include many medieval churches. After the town tour, pedal into the surrounding countryside to a small nearby vineyard where local varietals will be served.

#### **“THE ITALIAN JOB” MINI COOPER ADVENTURE**

PORT: SOUTHAMPTON (LONDON), ENGLAND

A unique tour inspired by the crime-caper movie. Climb The O2 arena and visit the Greenwich market. Then don bright-blue jumpsuits and jump into Minis for the getaway along a sightseeing route. At the “hideout” the celebrate over cocktails before a cooking class and dinner at Jamie Oliver's Recipease.

### ALASKA

#### **BUTCHART GARDENS, EMPRESS RECEPTION AND LOCAL PUB**

PORT: VICTORIA, BC

A scenic drive brings the group to the famous show gardens for independent exploration. Next stop is Victoria's historic inner harbor for a welcome reception at the elegant Fairmont Empress Hotel, as well as a visit to a local pub. Guests are free to explore the nearby shopping district and return to the ship at their leisure on a designated shuttle.

#### **TAKU LODGE FEAST AND 5 GLACIER SEAPLANE**

PORT: JUNEAU, ALASKA

There's no better way to see Tongass National Forest and the five glaciers flowing from the massive Juneau Icefield than from the air on a private flight. The pilot touches down on the Taku River near a rustic lodge built in 1923 that is still surrounded by unspoiled Alaskan wilderness. Offering views of the river, Taku Glacier and snow-capped mountains, the lodge is the setting for an Alaskan-style feast of grilled wild salmon or your preferred specialties.

## CARIBBEAN
